

SCHOOL SERVICES

Brief Overview of Everything Schools

DEVICES & FINANCING

- You deserve a trusted partner to help you find the right devices at the right price.
- Navigating the timeline and supply chain for purchases isn't easy, we can help.
- Whether it is through e-rate leasing, or direct purchases, you have options.

IMAGING & DEPLOYMENT

- We can take the burden of deploying new devices off your shoulders!
- From Warehousing to imaging to handing the devices to each campus, we do it all!
- Things will go wrong; we are a partner that you can count on to fix it!

SUPPORT & WARRANTY

Accidental Damage Protection Program

- Zero down time! We supply extra devices on site to replace your broken ones.
- No more sourcing and storing parts; free up your tech to support the campus.
- We send you new devices right away instead of you waiting to have them repaired.

Warranty Repair & Management

- Manufacturer warranties can have long lead times; we are certified to do the repairs.
- Keeping track of the devices being sent in can be frustrating; we'll give you the reports.
- Having a streamlined, one vendor process makes communication simple.

Lease Return

- Need to send it all back? We can handle everything for you
- We inventory, audit, pack and ship back to your leasing company
- In a tight time crunch? We can move quickly

Recycling, Disposal & Data Destruction

- We come to you. We'll pick up all of your devices and much more at no cost.
- If the devices have value, we'll give you credit towards your next purchase
- Certified data destruction and full asset inventory provides all the reporting and protection you need

Student/Staff Devices

- No matter which brand/model you are comfortable with, we sell it!
- Not all Chrome books are created equal; we can point you in the right direction.
- From licensing to configuration, our technology consultants will help you get the most bang for your buck!

Warehousing & More

- Space is a premium; use ours instead of yours.
- Our all-inclusive white glove service includes delivery to multiple campuses.
- Want to deploy your devices faster? We can do that while eliminating lead times.

Financing Options

- We are on many state contracts and purchasing co-ops to make procurement simple.
- From leasing to e-rate to payment plans or deferred payments, we have options to fit your budget.
- We help you comply with all types of federal, state & local funding & grants.

Imaging & Deployment

- Chrome book enrollment & provisioning so students can simply log in and go.
- Configuring a windows device over multiple users can be painful; we can alleviate it.
- Imagine each campus receiving their devices on time and set up ready-to-go without you having to be there.
