

SUPPORT & WARRANTY

ACCIDENTAL DAMAGE PROTECTION PROGRAM

Zero Downtime

We supply extra devices onsite to replace your broken ones.

Fast Service

We send you new devices right away instead of you waiting to have them repaired.

Free-Up Storage

No more sourcing and storing parts. Free up your tech to support the campus.

Certified Repairs

Manufacturer warranties can have long lead times; we are certified to do the repairs.

Reporting

Keeping track of the devices being sent in can be frustrating; we'll give you the reports.

Simplify

Having a streamlined, one vendor process makes communication simple.

WARRANTY REPAIR & MANAGEMENT

LEASE RETURN

Easy Returns

Need to send it all back? We can handle everything for you!

Don't Lift a Finger

We inventory, audit, pack and ship back to your leasing company.

Fast Service

In a tight time crunch? We can move quickly!

Pick-Ups

We come to you. We'll pick up all of your devices and much more at no cost.

Earn Credit

If the devices have value, we'll give you credit towards your next purchase.

Protection

Certified data destruction and full asset inventory provides all the reporting and protection you need.

RECYCLING, DISPOSAL & DATA DESTRUCTION
